Supply Corp.

## OUR MISSION STATEMENT

Gaffney-Kroese Supply Corp. will provide our customers with prompt, courteous service, superior product knowledge and quality products at a competitive price.

These attributes translate into excellence and trust... the trademarks that have carried our reputation for over 75 years.

Our Founder, John S. Kroese

Gaffney-Kroese specializes in the procurement and supply of equipment for the Oil Industry, Petrochemical, OEM, Transportation, Power Generation, Construction, Mining, Military & Marine Markets.

Founded in 1931, Gaffney-Kroese is a privately held corporation serving the worldwide energy, petrochemical, construction, mining, manufacturing and electrical supply industries.

Gaffney-Kroese offers an extensive range of commercial, industrial and technical purchasing and supply services. We provide industrial electrical equipment, oil drilling and production supplies, industrial machinery, electronic systems, specialty items, spare parts and manufacturing and operating consumables for our customers worldwide. Included in these services are comprehensive global logistics, delivery, inspection and documentation solutions.

Our clients include oil and gas companies, chemical and petrochemical facilities, original equipment manufacturers, rig builders and operators, electrical and mechanical contractors, mine operators, utilities and international wholesalers.

Established as an electrical distributor, through customer driven requests, we have evolved into a diversified industrial distributor and supplier. We now offer a wide assortment of products, allowing our various customers, located on every continent, the option to procure prices and equipment from us in a single quotation or shipment.

## ISO 9001:2000 and Quality

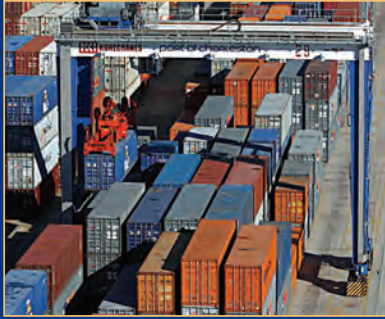

Gaffney-Kroese Supply Corp. is committed to continuous improvement in quality and productivity. Quality is defined by customer requirements and expectations. Our goal is to provide high quality, consistent products and superior services that anticipate or exceed the requirements of our customers.

Most recently renewed in June, 2009, we continuously maintain our ISO 9001 certification. ISO 9001:2000 is an internationally recognized quality management system developed by the International Organization of Standardization. Accepted by more than 90 countries around the world as a quality benchmark, ISO 9001:2000 certification demonstrates our commitment to continuous process improvement.

Corporate Office  
Piscataway, New Jersey

Our experienced  
logistics staff  
specializes in handling  
deliveries to all areas  
of the world,  
with a special emphasis  
on shipments to plants  
and job sites in  
remote locations.

## Our Wide Range of Products

- Electrical supplies
- Electrical equipment
- Electric motors and drives
- Hazardous area fittings
- Hazardous area lighting
- Wire and cable
- Switchgear
- Control and apparatus
- Instrumentation and control
- Food service equipment
- Vehicle spares
- Laboratory supplies
- Appliances
- Tubular products
- Pipeline equipment
- Production equipment
- Completion equipment
- Drill rigs and components
- Refinery equipment
- Oilfield equipment
- Valves and bearings
- Hand tools
- Specialty steel
- Water treatment equipment
- Capitol equipment
- Fire protection

## Comprehensive International Logistics

All functions of shipping and delivery are integrated in a computerized logistics system. Beginning with order entry, through expediting, inspections, documentation, customs clearance and delivery, our operation is designed to function with complete control in all areas of routine and critical cargo flow. Additionally, we maintain a multi-lingual team adept at document review and preparation.

Gaffney-Kroese routinely provides a variety of in-house export services including:

- Consolidation:  
Multiple orders, multiple manufacturers
- Export crating and packing
- Marking and tagging
- Containerization:  
Packing, blocking and bracing
- Air and ocean shipments:  
LCL, full container and break-bulk
- Digital documentation of packing and loading processes
- Hazmat certified packing
- Order expediting
- Status reports
- Letters of Credit
- Export documents:  
Certificates of Origin, commercial invoices, way bills, and legalized documents
- MSDS compliance
- Cargo receipts

## Warehousing

All stocking and warehousing locations are within close proximity to their region's major ports and airports allowing for fast and efficient delivery of time critical goods.

- 60,000 Sq. Ft. in Piscataway, New Jersey
- 35,000 Sq. Ft. in Houston, Texas
- 15,000 Sq. Ft. in Miami, Florida
- 1,000 Sq. M in Dubai, United Arab Emirates

## Oilfield Services Group

The Gaffney-Kroese Oilfield Services Group serves the supply and procurement requirements of the worldwide hydrocarbon Industry. Our experienced Oilfield Services Group brings a deep understanding of the complete procurement process and the specific requirements of our international clients. Many of our professional staff have years of experience working directly for major oil companies active in over seventy countries.

We function as a comprehensive source of supply. With our extensive knowledge and understanding of the marketplace, we are able to provide the best sources of material customized to each requirement. We offer an integrated supply system that includes engineering support, purchasing, expediting, technical inspection and shipping.

## Safety, MRO and Industrial Supply

Gaffney-Kroese services the integrated supply requirements of industrial operators, manufacturers, mining operations and institutional facilities. We specialize in MRO requirements, consumable goods, personal protective equipment, tools, machinery and other products related to continuing operational requirements of these facilities.

Additionally, our services include materials and inventory management. By utilizing Gaffney-Kroese as a concentrated source of supply, our clients and customers are able to reduce vendors, achieve process savings and improve performance.

## Brown & Ross Division

Brown & Ross brings 50 years of experience and expertise with General Electric Industrial Apparatus. We bring the best GE products to market with unequaled speed, service and price. Our product basket includes GE Energy, featuring power generation, drive control and related spare parts. From transmission and distribution, motors, lighting and control, to rotating components including variable speed drives, GE and Brown & Ross are the best combination for industrial excellence.

## Projects

Our project specialists support US and international engineering, procurement and construction companies with comprehensive supply activities encompassing technical and logistical support as well as global and regional sourcing capabilities. We support private sector, governmental, general, civil, electrical and mechanical constructors with US embassies and consulates, water projects, military bases and compounds, as well as commercial and industrial projects.

## Product Line

Gaffney-Kroese Supply Corp. is a major international distributor of electrical, instrumentation, oilfield, safety and industrial products. Listed below is a sampling of the material and equipment we supply:

### Electrical Supplies

Aviation lighting  
Ballasts  
Batteries  
Beacons  
Boxes  
Cable and wire (all voltages)  
Cable glands  
Cable ties  
Cable tray  
Channel  
Conduit, duct and wireway  
Conduit fittings  
Connectors  
Control products  
Distribution equipment  
Drives  
Emergency lighting  
Enclosures  
Explosion proof equipment  
Fire alarms  
Fuses  
Grounding materials  
Hazardous location equipment  
Heat tracing material  
Intercom systems  
Lamps  
Lighting fixtures  
Marine equipment  
Marking systems  
Motors  
Motor control centers  
Plugs  
Programmable controllers  
Signals  
Splice kits  
Starters  
Switches and relays  
Switchgear  
Terminal blocks  
Voltage testers  
Transformers  
Wiring devices

### Instrumentation

Analytical products  
Controllers  
Gauges  
Meters  
Regulators  
Switches  
Thermocouples  
Transmitters  
Valves

### Oilfield Supplies

Actuators  
Anchors  
Belts  
Blocks  
Bolts  
Casing  
Catheads  
Chain  
Chokes  
Clamps  
Cleaners  
Closures  
Couplings  
Dies  
Elevators  
Filters  
Fittings  
Flanges  
Gauges  
Gaskets  
Guides  
Heads (casing and tubing)  
Hose  
Indicators  
Injectors  
Insulation  
Joints  
Liners  
Lubricators  
Meters  
Motors  
Mud mixers  
Packing  
Paint  
Pipe (standard and line)  
Pipeline cleaners  
Plugs  
Pumps  
Pumping equipment  
Regulators  
Rods  
Rope  
Shakers  
Sheaves  
Slings  
Tanks  
Tape  
Tubing  
Turnbuckles  
Unions  
Valves  
Vises

### Safety and Industrial Supplies

#### Safety Supplies

Disposable/Reusable ear plugs  
Earmuffs  
Emergency response kits  
Eye and face wash  
Face shields  
Fall protection equipment  
First Aid Kits and supplies  
Fire extinguishers  
Floor matting and anti-fatigue mats  
Gas and general purpose industrial masks  
Hard hats and liners  
Half and full-face respirators  
Laboratory supplies  
Lockout/Tag out kits  
OSHA substance specific mask  
Protective clothing and footwear  
Safety cans  
Safety glasses and goggles  
Safety gloves  
Safety signs  
Safety storage cabinets  
Self-contained breathing apparatus  
Signaling devices  
Spill containment  
Supplied air respirator systems  
Welding respirators

#### Industrial Supplies

Cube and tilt trucks and hoppers  
Chain saws  
Cordless power tools  
Drill bits  
Fans and blowers  
Files and utility knives  
Filters and regulators  
Food service equipment  
Hammer drills  
Hand tools  
Heating ventilation and air conditioning supplies  
Hoist/Winch and rigging supplies  
Industrial laundry equipment  
Ladders and climbing supplies  
Measuring equipment  
Pipe and fittings  
Pneumatic tools  
Portable air compressors  
Refrigeration equipment and supplies  
Routers and sanders  
Shovels and lawn equipment  
Tool chests and truck boxes  
Torque wrenches  
Vehicle spare parts
